Utility Bill!

Go Green. Go Solar. Save Now.

Join an existing Community Solar Farm to begin sharing the sun with others.

New York State's initiative is to be 50% renewable by 2030.
Joining a community solar farm is the easiest way
for you to go green.

**No roof top panels.
No upfront payment.
No credit check.
Pay as you go.**

**Sign up today to reserve your spot!
Visit bluerockenergy.com/solar or call 607-307-2005**

Interested in learning more?
We are happy to sponsor an informational "Coffee Hour"
to give you more details about community solar.
