

Mothers & Babies PERINATAL NETWORK

Health insurance for you and your family!

We help ALL members of the community.

Uninsured? Mothers & Babies Perinatal Network has Navigators that can help you sign up for health insurance including Medicaid and Child Health Plus through the New York State of Health Marketplace!

Need help finding a provider? Having issues with your current health insurance? A Community Health Advocate can help guide individuals, families and small businesses through the health care system—with free information, advice, and advocacy on all types of health insurance.

Youth leaders, group leaders, and individuals: would you like to learn more about health insurance?

We provide presentations about health insurance as well as health related topics, such as what it is, why it is important, and how to use it. These presentations are for people of ALL ages. Let us know if you would like us to come and present for you!

****Also looking for individuals who would like to participate in a focus group so we can hear about your thoughts on health care. We truly value our community's ability to access health care. If interested or know a group that would be, please contact our Health Access Specialists.**
