

My Vote Counts

Your vote does count!

How do you make it count in a way that supports your beliefs?

The Moral Responsibility of Voting

A Seminar

Wednesday, September 14

Registration — 6:15 p.m.

Seminar — 6:30 p.m. - 8:30 p.m.

(light refreshments will be provided)

to be held in the Catholic Charities Community Room
located at 232 Main Street in Binghamton

An interfaith panel of faith leaders in our area will be discussing what their faith says about voting and civic participation, what their faith might say about the common good, and what their faith might say about how to treat people who have a different understanding of the common good than what their faith professes. Join us in considering the moral issues involved in voting.

We will have voting guides, voter registration cards and other resources to help your congregation during this year's voting season.
